FROM THE EDITOR

Spring has sprung!

I've already noticed some changes around the neighborhood as the community garden starts growing, the lawnmowers are out, and the streets have been swept clean of the winter's gravel. I've also noticed that the playgrounds are busier, soccer and baseball games are starting, and our children are out biking on streets and sidewalks. Let's watch out for each other and keep everyone safe.

With only two months left in the school year, our schools are excited to share some news and ask for some help, which you can read about on pages 10-11.

We are also holding our AGM on May 7 at 7pm, and are looking to fill some key positions. See the notice on Page 2 for more information.

I am excited to share that I am taking the Master Composter Recycler program through the City of Edmonton. I am learning about Edmonton's waste management system, recycling, and composting (both for waste reduction and to help our gardens). I look forward to sharing some of this information with the community through a series of articles in the Details, coming out over the next several months. I hope you will find the information as interesting as I do, and I'd love to answer any questions you might have on the topic.

I am always interested from hearing from you. Please send any notices, articles or advertisements to the email address below by the 15th of the month.

WHEN TO TAKE THAT STRAY CAT TO THE ACCC

Cats can roam on public property in Edmonton, but sometimes you'll see one that looks like it needs some help. Here's how to tell if you should call the [Animal Care & Control Centre \(ACCC\)](#):

- **Owned outdoor cats** are comfortable in their surroundings, look healthy and tend to approach humans. Only bring them to ACCC if they're a nuisance or injured.
- **Owned indoor cats** are scared and try to hide. They'll lose weight and their coats become dull and matted. If you can't find the owners, bring them to the ACCC.
- **Feral cats** are born in the wild, live in colonies, are active at night and fear humans. Don't interact with adult feral cats, but you can bring kittens that are comfortably walking to the ACCC.

Remember that if you feed and shelter outdoor cats, you'll encourage more cats on your property and larger feral cat populations. [Check our site](#) or call 311 if you need more help.

CAPITAL CITY CLEANUP: 15 TO CLEAN

Edmonton is joining forces with other communities from across Canada to see how much litter and debris we can all clean up this spring as part of [#CleanCanadaTogether](#)! If you have friends or family living there challenge them to get out and clean up too.

Pick up a [litter kit](#) at a participating Edmonton recreation centre to get started on your Edmonton litter clean up!

May Programs:

Children

Baby Laptime

Enjoy delightful stories, songs, books, rhymes, finger plays and more, especially for babies. Cuddle with your baby and connect with other caregivers. **Ages up to 12 months.**

Copains de lecture

Aimez-vous lire? Voulez-vous avoir du plaisir, rencontrer de nouveaux amis, et pratiquer vos compétences en lecture? Copains de lecture est pour vous! Les adolescents et les enfants de la 2^e à la 4^e année seront jumelés pour partager leur enthousiasme pour la lecture à travers les jeux interactifs et la lecture un-à-un en français. Si Copains de lecture vous intéresse, communiquez avec la succursale Idylwyld. Pour de plus amples informations au sujet du bénévolat pour les ados, veuillez visiter www.epl.ca/volunteer.

Do you love to read? Do you want to have fun, make new friends, and practise your reading skills? Copains de lecture (French Reading Buddies) is a program that matches teen mentors with kids in Grades 2-4. Through interactive games and activities, buddies share their enthusiasm for reading. If you're interested in pairing up with a teen buddy, contact the Idylwyld branch for information. If you're a teen who would like to volunteer, visit www.epl.ca/volunteer for more information. **Ages 6 to 8.**

Daddy and Baby Time

You will learn songs and rhymes that help support your baby's development. **Ages up to 18 months.**

Lego at the Library

Calling all Lego lovers! Come to the library to design and build a Lego creation. Share your building tips and tricks with others. **Ages 6 to 12.**

Music Makers: Sing Yourself Silly!

All families of 4 to 6 year-olds are invited to this new program. Children and parents will participate in action songs, dancing and be introduced to basic musical concepts such as: beat, rhythm, pitch, tempo and dynamics. Engaging songs and stories are combined with the use of rhythm instruments to develop important classroom skills such as attentive listening, turn-taking and responding to direction. **Preschooler.**

School's Out

When school is out, the library is in. Complete challenges, play games, or learn something new! Discover all the fun activities waiting for you at EPL. **Ages 6 to 12.**

Sing, Sign Laugh and Learn

Siblings are welcome. Parents will learn strategies to engage their child and enhance their child's communication and development through repetition, visuals and movement. **Ages birth to 3.**

Teens

Evil Genius Club

Robot battles, Arduino hacks, DIY music, art, Minecraft, photography, 3-D design and printing are just the beginning for this club of maniacal makers. This is a drop-in program. **Ages 9 to 14.**

Homework Help for Teens

Are you in grades 7 to 12 and looking for advice and assistance in either Math or English/Essay Writing? Drop in and meet with one of our volunteer tutors! This program runs through May and June, and is first come first served.

Families

Family Films at the Library

EPL has a great selection of children's films for the entire family. Join us for a family fun movie. May 6 is Coco, May 13 is Rise of the Guardians, May 20 is Ice Age: The Meltdown, and May 27 is The Boss Baby.

Family Storytime

Share stories, songs and games for the whole family.

Pop-Up Makerspace

Makey Makey hacks, DIY music, Art and 3-D design are just the beginning at this Pop-Up maker event. You're invited to drop-in, hang out, bring friends, try things and make fun stuff.

Puppet Show

Our library puppeteers bring the puppets to life on stage with plenty of action and lively antics.

Adults

Book Clubs of EPL

Love reading? Love to talk about books you've read? Come join us for lively discussions on all types of fiction and non-fiction. We'll feature different titles and authors each month. Come and share your impressions, thoughts and interpretations of a book we have all read. Check the schedule at www.epl.ca/bookclubs and join us at an EPL location. Please register to reserve a copy of the book. You can contact the library for more information.

English Conversation Circle (LACE)

Drop in and join others who also want to practice their English. English Conversation Circle is part of Catholic Social Services' Learning and Community Enrichment (LACE) program. Call Catholic Social Services at 780-424-3545 for more information.

Practice English @ Your Library

Are you learning English? Practise your English language skills, meet new friends and have some fun. We'll have conversations about many different topics, using materials from the library. A library staff member will lead the group. English speakers at all levels are welcome!

Resume Review and Career Advising @ EPL (Alberta Supports)

Are you looking for work? Alberta Supports staff will be visiting the library to provide one-on-one Resume reviews and career advising.

EDMONTON BIKE SWAP

Did you know that hundreds of bikes are dumped every week in our landfill?

The Bike Swap works with groups in your city so that these bikes get re-used and re-cycled so that there is less landfill burden. Please help us get the message out that we are a convenient place to donate a bike that will help out in your community.

The Bike Swap in Edmonton is a non-profit event that returns half the profit back to your community to fund safe cycling and make good tech-check bikes available. The other half of the profit stays in the bank to fund more bike swap events.

MACKENZIE NEWS

Spring is a busy time of year at DS MacKenzie School. On March 15, we hosted our first Student Led Conferences. This evening of celebration had students showcasing their growth, learning and achievements to their families. We also hosted our Open House on March 21. Our building was full for the entire evening with potential students and families having the opportunity to participate in a variety of hands-on activities that are typical in the daily life of a DSM junior high student. We look forward to welcoming and building positive relationships with our potential new students and their families!

We are pleased to announce that DS MacKenzie took second place in the Hockey Helps Kids competition. Thank you to everyone in the community that supported us and voted for Team Draisaitl. Without your support, our success would not have been possible. Our sponsored charity, The Mental Health Foundation, will receive \$10,000 and any funds we have raised through school

NEWS FROM OUR SCHOOLS

activities this year. Currently, we are selling raffle tickets for a signed Leon Draisaitl jersey. We have plans for more activities to raise funds for The Mental Health Foundation during the remainder of this school year.

There have been so many opportunities and accomplishments that we want to recognize. Our cheer teams have taken second and third place in their last competition and are now moving on to compete in provincials. Our senior girls' basketball team finished the season taking the silver medal. Our junior boys played well and came in fourth place after a double overtime game where they played extremely well. Our leadership students have been helping out with Student Led Conferences and Open House. Our grade 9 leaders were cooking brunch for all of the families living at the Ronald McDonald house this month. Our students competed in the Math Stars competition last weekend. We had one student take first place and another take a second place finish. In the team event, we came in first place. Our Athletics will be participating in Nationals in May! Our art students have been busy. If you have the opportunity to visit the Edmonton Public Library in Whitemud Square, you will see our students' artwork proudly on display.

We've also had lots of activities going on in the school. Science is busy dissecting eyeballs, drama students are performing their monologues, and we had a math fair put on by a grade seven class. There have been many field trips ranging from the Bamfield trip, Drumheller trip, Band 7 Gull Lake trip, Panorama Ski Club trip, Strategies trip to

Grant MacEwan to an upcoming trip to Whistler, BC and the Junior Achievement Day at NAIT. These are just some examples of how DS MacKenzie engages our learners!

As the weather warms up, new sports teams will be starting; badminton, cricket and flag football, just to name a few. We are currently looking for coaches for our flag football and softball teams. Please contact Mr. Van Straten at dwayne.van.straten@epsb.ca if you are interested in these coaching opportunities. On May 9, our entire school will be participating in a track and field event at Scona High School. We are hoping for great weather for this fun filled day!

We value all of our community families, with and without DS MacKenzie students and want to work in partnership with everyone. We are a community that strives to create a sense of belonging for all. Our doors are always open to you. We hope you will continue to follow us and keep up to date with the latest events happening at DS MacKenzie on [@DSMJHSchool](https://twitter.com/DSMJHSchool).

Window & Balcony Safety

With the return of warmer weather, Emergency Medical Services (EMS) would like to remind parents and caregivers of an often overlooked hazard in the home – access to open windows. Every year, paramedics respond to emergencies where a child has fallen from an open window, often from the second floor. These can be avoided by following safety measures. Take the time to assess potential hazards in your home before a preventable fall occurs.

Windows and screens

- Prevent access to windows by moving furniture such as cribs, beds, stools, and change tables out from under them;
- Keep drapery cords out of childrens' reach. Wrap excess cord around cleats, or tie-downs to avoid a choking hazard;
- Remember, screens are not safety devices. They are designed to keep bugs out, not children in.

Balconies

- Do not underestimate a child's ability to climb. Furniture and other items stored on balconies and decks can be used to climb resulting in falls over the railing;
- Ensure that your balcony railings are not more than 10 cm (4 inch) apart. This will eliminate access between the vertical bars of a balcony, or deck.

Further prevention tips

- Toddlers & preschoolers are at highest risk of falling from a window, or balcony, but it may happen at any age;
- Direct supervision of children is the single most effective way to prevent falls from windows and balconies;
- Install safety devices which limit the distance in which a window can open to a maximum of 10cm (4 inches);
- Ensure the safety device can be released quickly, so the window can be used for escape in case of emergency.
- Consider purchasing a portable air conditioner, which will enable windows to stay closed & secure.

EMS is proud to be a member of the **Partners Promoting Window and Balcony Safety.**

Take time to assess your home for window and balcony hazards and eliminate the risks before a preventable fall occurs.

ADVERTISEMENTS

The future is coming to your neighbourhood.

Dear Neighbour,

You might see more TELUS trucks in your neighbourhood than usual. They're not just installing the **TELUS PureFibre™** network throughout parts of Edmonton — they're revolutionizing the internet as you know it.

Once complete, the majority of homes and businesses in Edmonton will be able to connect to the 100% fibre optic network and experience internet reimagined.

The benefits include:

- The #1 internet technology for **speed and reliability**¹⁾
- **Crystal-clear video calls**, so you feel like you're in the same room
- **Uploads as fast as your downloads**, so you can share photos faster than you take them²⁾
- **4x the resolution of HD** with Optik TV[®] 4K³⁾

Plus, your property can gain value with TELUS PureFibre on board:⁴⁾

Businesses can operate at lightning-speed, too, giving them all they need to operate locally and compete globally.

In the coming weeks, a TELUS representative will visit you to discuss connecting your home or business. It's time to discover what's possible with a lightning-fast connection. It's time to discover the TELUS PureFibre network.

Sincerely,

Zainul Mawji
Vice President, Marketing
TELUS Broadband Networks

P.S. Your community can also expect fibre-boosted mobile network upgrades, with better coverage and fewer dropped calls.⁵⁾

What is fibre?

Fibre is made of flexible, transparent, durable strands of glass that can transmit over 100 trillion bits per second.

A consistently lightning-fast speed helps everything. Video chatting becomes crystal clear. Uploads and downloads are nearly instant. Future technologies are a breeze to adopt.

For more information or to enable us to connect your home to the TELUS PureFibre network for FREE, visit telus.com/edmonton or call 1-855-595-5588.

If you're a business owner, call 1-877-352-0808.

If you live in or manage an apartment, condo building or strata building, visit telus.com/strata or call 1-855-595-5588 for more details.

1) Traditional copper wire or copper wire hybrid networks are subject to capacity constraints and environmental stresses that do not affect TELUS fibre optic technology, which is based on light signals. 2) Not available in all areas. Internet access speeds may vary depending on location, usage within the office network, Internet traffic, applicable network management or server configurations. For a description of TELUS' network management practices please see telus.com/networkmanagement. 3) 4K television required to watch 4K. Optik 4K PVR and Internet 50 or above required to watch 4K on Optik. 4) Based on Smart Home Technology Survey conducted in April 2016 amongst 1,000 randomly selected Canadian adults (age 18+) by MARU/VICR&C where 2/5 of Canadians were found to be willing to pay more to live in a neighbourhood with access to fibre internet. 5) Limitations apply, not available in all areas.
